

The image shows a close-up of a dark brown, textured surface, which appears to be the cover of an old book. The texture is a fine, repeating grid pattern, characteristic of a cloth or leatherette binding. The color is a deep, slightly mottled brown, with some lighter and darker patches visible, suggesting wear, age, or variations in the material. There are no titles, logos, or other markings visible on this portion of the cover.

824-89 Shale
